Four thought-provoking and capacity building PD programmes from the forefront of management thinking.

Delivered by leading governance and board consultant Robert Gordon, each can be facilitated as a compact two-hour presentation, a full-day workshop or part of the Board Review Process.

Mindfulness in the Corporation

Integral Leadership - The Game Changer

Dealing with damn difficult directors

The Emotionally Intelligent Director

Robert Gordon is CEO at Board Accord, an Australian-based boardroom consultancy. He consults and facilitates reviews to a diverse portfolio of boards; mentors corporate executives and presents to universities and conferences.

For two decades he has facilitated performance reviews and consulting to a variety of high profile clients including UNICEF, IBM, JPM, Sth Pacific Forum, American Express, Australian Department of Defence, HBOSA, Chevron, AmCham/AustCham (China, Vietnam, Brazil).

He's a graduate of the AICD's International program (UAE). He is currently enrolled in predoctoral research in the USA to develop an Integral framework to comprehensively understand the Boardroom, and is completing the INSEAD International Certificate of Corporate Governance. He is also a successful property developer and entrepreneur. Robert has a Masters Counselling, a BEd and a B Ceramic Art and Design.
